

World of Goo (Disc Version): EVALUATION SUMMARY

About World of Goo

Developed by 2D Boy, World of Goo is a construction-oriented puzzle game with a simple premise of moving a number of "Goo"-like balls from one place to another. Well received by many Gamers and Critics alike, World of Goo has gone to win several accolades some of which have been from the annual Independent Games Festival. This version of World of Goo was recently released on The Humble Indie Bundle during the week of December 2010

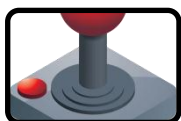

Medium: Digital Version

Version Tested: 1.30

About "DRM Free"

As the title implies, DRM Free embraces Consumer Rights and Ownership without using any sort of content restriction available.

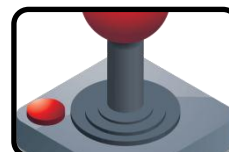

About Brighter Minds Media

Brighter Minds Media is a niche distributor of educational software and books directed at children and families. Some of their known releases include Diner Dash, Brain Quest and World of Goo and they operate online portals, Beanstalk Games and 30-a-day. Kevin Hess is their current CEO.
