- ✓ Searching on the Endless Space forum on Steam is direct and quick
- ✓ Info is easy to read and understand
- ✓ Customer services is quick to respond within 24 hours
- ✓ Customer service will resolve queries within 24 hours
- ✓ Tone and language used is warm, inviting and personable
- ✓ Focused on understanding problems and providing an effective solution

## RYG's VERDICT

**65%**

## BARGAIN BIN MATERIAL

64% and below

## SHOWS PROMISE & POTENTIAL

Between 65% and 84%

## WORTH SUPPORTING

85% and above

*While Endless Space scored no different to other Steam-released games we've looked at it did score far better in the areas concerning modding, coding and customisations. It's a welcoming sign that a developing studio is willing to embrace user modding from a legal perspective. In addition the response time(s) and the way the responses are delivered by a dedicated contact at the Endless Space forums on Steam is something that should be commended. Endless Space, like most Steam games, are self-contained on user's PCs and won't adversely affect their systems or leave remnants / legacy material behind after a full clean up. On a whole, Endless Space is something to consider as a game to support.*

### Colophon

This analysis of Endless Space was compiled by Lisa and Martin Pham. Typeface used is ITC Stone Sans. RYG thanks Anna Henriksson, [Josh Bush](#), [Ethan Lee](#), [Adam Ames](#) and [David Hatch](#) for their insights and suggestions in the design of this analysis. Endless Space was bought with RYG funds through EB Games.
