- ✓ Info is easy to read and understand

## RYG's VERDICT

# 79%

## BARGAIN-BASE- MENT MATERIAL

64% and below

## SHOWS PROMISE & POTENTIAL

Between 65% and 84%

## WORTH SUPPORTING

85% and above

*This is an impressive game made with great care and dedication to the PC (Windows) Platform. Having the game go through GOG's DRM-Free platform also helped with its overall score and overall design of the game itself. There are few faults with Expeditions: Conquistador apart from the standard legal wording protecting this game, most of which is GOG-related.*

### Colophon

This analysis of Expeditions was compiled by Lisa and Martin Pham. Typeface used is ITC Stone Sans. RYG thanks Anna Henriksson, **Josh Bush**, **Ethan Lee**, **Adam Ames** and **David Hatch** for their insights and suggestions in the design of this analysis. Expeditions was bought with RYG funds through GOG.

### Disclaimer

These analyses are only a guide and represent RYG's perspective into Expeditions as a product. We believe everyone should perform their own research and reach their own conclusions. This is one view of many. Again, we thank you for taking the time to read our analysis of Expeditions and hope you continue to support our work.

RYG is a user research and design studio for video game developers and publishers. Our focus is planning and designing games with a gamers'-first mentality through user and product research. RYG is led by a husband-and-wife team of Lisa and Martin Pham. RYG is operated in the heart of Sydney.
